

## **Youth Mental Health Clinicians**

Full-time & part-time positions available for  
psychologist, social worker, occupational therapist or mental health nurse

Townsville **headspace** provides integrated health, mental health, and drug and alcohol services to young people. The service draws on well established networks across the city to provide a youth friendly clinical and social recovery service in a space and with access times that are attractive and accessible to young people aged 12 to 25.

You will be required to provide expert clinical care to **headspace** clients. Experience in the planning and implementation of evidence based clinical treatment interventions for a diverse range of clients is essential.

Successful applicants will be required to have, or be eligible to obtain, a Blue Card. Remuneration for the positions is negotiable, based on experience and qualifications, with additional salary packaging benefits available.

Applications close COB 22<sup>nd</sup> March 2010.
